## B'tzelem Elohim

Yeah-ee Yeah-ee Yeah-ee Yeah-ee Yeah  
Yeah-ee Yeah-ee Yeah-ee Yeah-ee Yeah

We all got a life to live, we all got a gift  
to give  
Just open your heart, and let it... OUT

We all got a peace to bring, we all got a  
song to sing  
Just open your heart, and let it out...  
YEAH!

When I reach out to you and you to me  
We become B'tzelem Elohim  
When we share our hopes and our dreams  
Each one of us B'tzelem Elohim

We all got a tale to tell, we all want to  
speak it well  
Just open your heart, and let it... OUT  
We all got a mountain to climb, we all got  
a truth to find  
Just open your heart, and let it out...  
YEAH!

When I reach out to you and you to me  
We become B'tzelem Elohim  
When we share our hopes and our dreams  
Each one of us B'tzelem Elohim

Uri, Uri Dabri Shir

And people came from everywhere  
To hear her judgement honest and fair

in Israel!

in Israel!

torch in hand,

Unless you are standing right by my  
side!"

Israel!

## Miriam's Song

Chorus:

And the women dancing with their timbrels

Followed Miriam as she sang her song  
(Who!)

Sing a song to the One whom we've exalted

Miriam and the women danced and danced the whole night long

Miriam was a weaver of a unique variety  
The tapestry she wove was one that sang our history

With every strand and every thread, she crafted her delight

A women touched with spirit, she dances for the light

Chorus

When Miriam stood upon the shore and gazed across the sea

The wonder of this miracle she soon came to believe

Whoever thought the sea would part with an outstretched hand?

And we would march to freedom, and march to the promise land.

Chorus

Miriam the prophet took her timbrel in her hand

And all the women followed her just as she had planned

And Miriam raised her voice in song, she sang with praise and might

“We just lived through a miracle, we're going to dance tonight!”

Chorus

## Heart of Mine

Oh heart of mine,  
lost and find my home is sometimes near  
and sometimes far,  
It's always changing.  
Oh heart of mine,  
take the time to feel the sadness, love is  
always near,  
It seems they go together

The Walls are coming down and down  
and down.  
And Life is going round and round and  
round.  
And Love it will be found and found and  
found.  
It's all inside of you.

Oh moon of mine,  
to see you shine is like as if to wish upon  
a star,  
I'm so glad to see you.  
Oh moon of mine,  
night is time for love and wonder spread  
across the sky,  
What would we do without you?

The Walls are coming down and down  
and down.  
And Life is going round and round and  
round.  
And Love it will be found and found and  
found.  
It's all inside of you.

Oh friend of mine, eyes that shine and  
help me  
feel that I am not alone,  
What would I do without you?  
Oh friend of mine, space nor time will  
break the  
bond that holds my heart with yours,  
I will always love you.

The Walls are coming down and down  
and down.  
And Life is going round and round and  
round.  
And Love it will be found and found and  
found.  
It's all inside of you.

## Tall Tall Trees

Sitting in a quiet grove  
Out among the Tall Tall Trees in  
California, Northern California  
It's good to see a deep green forest  
It brings me back to what life really  
means  
There's a lesson to be learned here, from  
the  
trees

They're so old, They're so wise,  
They're so wonderful to see  
They're so strong, they just breath life  
They're so beautiful to me  
And there's NO place else that I would  
rather be  
Then here among the Tall, Tall Trees (2x)

They've been around a long, long time  
As the years go drifting by, they survive  
And they do it in style  
Some try and cut them down  
Fire's been known to burn them to the  
ground  
There's a lesson to be learned here, for  
they still  
stand proud

They're so old, They're so wise  
They're so wonderful to see  
They're so strong, they just breath life  
They're so beautiful to me  
And there's NO place else that I would  
rather be  
Then here among the Tall, Tall Trees (2x)

Wake up in the morning, sit beside the  
fire,  
taking it all in  
A little peace and quiet that's what I  
desire  
I'm thinking straight again... out here  
among the  
Tall, Tall Trees (2x)

They're so old, They're so wise  
They're so wonderful to see  
They're so strong, they just breath life  
They're so beautiful to me  
And there's NO place else that I would  
rather be  
Then here among the Tall, Tall Trees (2x)

## Percy the Pale Faced Polar Bear

Way up north where there's ice and snow  
And the temperature drops to forty below  
Who's the happiest one up there?  
It's Percy the pale faced polar bear.

He sleeps all day and then at night,  
He catches fish by the pale moonlight,  
Got no worries, got no cares,  
He's Percy the pale faced polar bear.

Then one day a hunter came,  
And grabbed poor Percy by the snout,  
Put him in a cage somewhere,  
And he howled and growled but he  
couldn't get out.

Now he's living in a zoo,  
The funny thing is he likes it too,  
Cause he's got a girlfriend, and she just  
loves.  
Percy the pale faced polar bear.

## The Whoppersnapper Song

I woke up Sunday morning,  
I looked up on the wall,  
The beatles and the bedbugs,  
Were having a game of ball,  
The score was six to nothing,  
The beatles were ahead,  
The bedbugs hit a HOMERUN,  
And knocked me out of bed.

I'm singing eenie meenie and a minie mo  
mo mo mo,  
Catch a whoppersnapper by the toe toe  
toe to,  
If he hollers (HOLLERS), let him go go  
go go,  
Eenie meenie and a minie mo.

I went downstairs to breakfast,  
I ordered ham & eggs,  
I ate so many EGGS,  
They all ran down my legs.

I'm singing eenie meenie and a minie mo  
mo mo mo,  
Catch a whoppersnapper by the toe toe  
toe to,  
If he hollers (HOLLERS), let him go go  
go go,  
Eenie meenie and a minie mo.

My mother is a martian,  
My father is a spy,  
Me I'm just a BIGMOUTH,  
I called the FBI

I'm singing eenie meenie and a minie mo  
mo mo mo,  
Catch a whoppersnapper by the toe toe  
toe to,  
If he hollers (HOLLERS), let him go go  
go go,  
Eenie meenie and a minie mo.

## Monkey and the Engineer

Once upon a time there was an engineer  
He drove a locomotive both far and near,  
Accompanied by a monkey who would  
sit on a stool,  
Watching everything the engineer would  
do.

Big locomotive right on time,  
Big locomotive coming down the line.  
Big locomotive number ninety-nine,  
Left the engineer with a worried mind.

One day the engineer wanted a bite to eat.  
He left the monkey sitting on the driver's  
seat.  
The monkey pulled the throttle, locomotive  
jumped the gun,  
And did ninety miles-an-hour down the  
main line run.

Big locomotive right on time,  
Big locomotive coming down the line.  
Big locomotive number ninety-nine,  
Left the engineer with a worried mind.

The engineer called up the dispatcher on  
the phone.  
Told him all about his locomotive was  
gone,

Big locomotive right on time,  
Big locomotive coming down the line.  
Big locomotive number ninety-nine,  
Left the engineer with a worried mind.

The switch operator got the message in  
time,  
He said, "there's a north bound limit on  
the same main line.  
Open up the switch. I'm gonna let it  
through the hole.  
The monkey's got the locomotive under  
control."

Big locomotive right on time,  
Big locomotive coming down the line.  
Big locomotive number ninety-nine,  
Left the engineer with a worried mind.

dirty mop!

## The Cannibal King

The cannibal king with the big nose ring,  
Fell in love with the dusty ma-ai-id,  
And every night, by the pale moonlight,  
Across the lake e ca-a-ame.

He hugged and he kissed his pretty little  
miss,  
Under the bamboo tre-ee-ee.  
And every night, by the pale moonlight,  
It sounded like this to me-ee-ee.

Boom boom, kiss kiss, boom boom, kiss  
kiss,  
Honey won't you marry me-ee-ee  
Boom boom, kiss kiss, boom boom, kiss  
kiss,  
Honey won't you marry me-ee-ee

Oh, we'll build a bungalow big enough  
for two,  
Big enough for three my honey,  
Big enough for four, Walla-walla-walla  
And when we're married how happy  
we'll be  
Under the bamboo, under the bamboo  
tree.

If you'll be M-I-N-E mine,  
I will be T-H-I-N-E thine,  
And I'll L-O-V-E love you  
all the T-I-M-E time,  
You are the B-E-S-T best  
of all the R-E-S-T rest,  
And I'll L-O-V-E love you  
all the T-I-M-E time.

## The Donut Song

Well I ran around the corner and I ran  
around the block  
And I ran right into a donut shop  
And I picked up a donut right out of the  
grease  
And I handed the lady a FIVE CENT  
PIECE

Well she looked at the nickel and she  
looked at me  
And she said this nickel isn't good you  
see  
There's a hole in the middle and it goes  
right through  
And I said, "there's a hole in the donut  
too!"  
Thanks for the breakfast, so long.

Well I had a little chickie and he wouldn't  
lay an egg  
So I poured hot water up and down his  
leg  
And the little chickie cried and the little  
chickie begged  
And the little chickie laid a hard boiled  
egg.  
Thanks for the breakfast, so long.

## The Three Soul Bears

Once upon a time in a nursery rhyme,  
There was one, two, three, three bears.  
One was the papa bear, and one was the  
momma bear,  
And one was the wee bear.  
One day they went-a-walkin' in the deep  
woods a-talkin'  
And along came a girl with the afro curls  
She knocked on the door, knock-knock-  
knock  
Nobody there, so she walked right in.  
And along came those three bears

“Someone’s been eating my porridge,”  
Said the papa bear, said the papa bear.  
“Someone’s been eating my porridge,”  
Said the momma bear, said the momma  
bear.  
“Hey momma see there,” said the little  
wee bear,  
“Someone has eaten my food!” WHOO!

“Someone’s been sitting in my chair,”  
Said the papa bear, said the papa bear.  
“Someone’s been sitting in my chair,”  
Said the momma bear, said the momma  
bear.  
“Hey momma see there,” said the little  
wee bear,  
“Someone has broken my chair!”  
WHOO!

“Someone’s been sleeping in my bed,”  
Said the papa bear, said the papa bear.  
“Someone’s been sleeping in my bed,”  
Said the momma bear, said the momma  
bear.  
“Hey momma see there,” said the little  
wee bear,  
“Someone’s asleep in my bed!” WHOO!

So afro curls woke up and broke up the  
party  
And beat it outta there.

“Bye-bye-bye-be-bye,” said the papa  
bear,  
“Bye-bye-bye-be-bye,” said the momma  
bear,  
“Bye-bye-bye-be-bye,” said the wee bear,  
And that is the story of the three soul  
bears. WHOO!

## Little Bunny Frufu

Three Charteuse Buzzards,  
Little bunny Frufu,  
Hopping through the forest,  
Scooping up the field mice,  
And boppin' em on the head

Down came the good fairy, and SHE  
said.....  
“Little bunny Frufu, I don't want to see  
you,  
Scooping up the field mice and boppin'  
em on the head.  
I'll give you two chances and if YOU  
don't obey ME,  
I'll turn YOU into a goon.

But they very next day.....  
Chorus

Down came the good fairy, and SHE  
said.....  
“Little bunny Frufu, I don't want to see  
you,  
Scooping up the field mice and boppin'  
em on the head.  
I gave you three chances and YOU didn't  
obey ME,  
So I'll turn YOU into a good.

The moral of the story: Hare today, Goon  
tomorrow

## The Billboard Song

As I was walking down the street one  
dark and dreary day (clap clap)  
I came upon a billboard, and much to my  
dismay  
The sign was torn and tattered, from a  
storm the night before  
The wind and rain had done its work and  
this is what I saw:  
Smoke Coca-cola cigarettes, chew Wrig-  
ley Spearmint beer (clap clap)  
Kennel Ration dog food keeps your com-  
plexion clear  
Simonize your baby with a Hershey's  
candy bar  
And Texaco's the beauty cream that's  
used by all the stars.

SOOO, take your next vacation in a brand  
new Frigedaire (clap clap)  
Learn to play the piano in your winter  
underwear,  
Doctors say that babies should smoke  
until they're three  
And people over sixty-five should bathe  
in Lipton tea.  
WITH FLOW THROUGH TEABAGS!

## The Crocodile Song

She sailed away on a sunny, sunny day  
On the back of a crocodile.  
“You see”, said she, “he’s as tame as he  
could be,  
I’ll float him down the Nile.”

Well the croc winked his eye  
As she waved to us goodbye,  
Wearing a happy smile.  
At the end of the ride,  
The lady was inside,  
And the smile was on the crocodile.

He ate the lady, The smile was on the  
crocodile.  
I don’t mean maybe,  
The smile was on the crocodile.  
Uh-huh. Ooooh-we-ooh.

## Booby McGee

Busted flat in Baton Rouge, waiting for a train,  
I was feeling near as faded as my jeans.  
Bobby thumbed a diesel down, just before it rained  
Took us all the way to New Orleans.  
I look my harp out of my dirty red bandanna  
Was playing soft while Bobby sang the blues.  
Those windshield wipers slappin' time,  
holding Bobby's hand in mine  
We sang every song that driver knew.

Freedom's just another word for nothing left to lose  
Nothing ain't worth nothing, but it's free.  
Feeling good was easy, Lord, when Bobby sang the blues,  
And feeling good was good enough for me,  
Good enough for me and my Bobby McGee

From the Kentucky coal mines to the California sun  
Bobby shared the secrets of my soul.  
Through all kinds of weather, through everything we've done,  
And every night he kept me from the cold.

Then somewhere near Salinas, Lord, I let him slip away,  
Looking for that home, and I hope he finds it.  
I'd trade all my tomorrows for a single yesterday  
To be holding Bobby's body close to mine.

Chorus

## **(insert PD's name) Is Back**

I love Habonim and I cannot lie  
Those Giborimers can't deny  
That when a Habber walks in with a itty  
bitty face and the best snacks you can  
taste you get JEALOUS  
When you pull up front and you notice  
our bus is stuffed  
Deep in the pools were swimming, I'm  
hooked and I can't stop grinning  
OH HAB!  
I wanna be with ya, and take your picture  
Those Gibbers try to beat us, but you  
know they can't defeat us!  
*(insert PD's name) is back!*

## **HAB'S SO CLASSY**

Hab's so classy, you already know  
Were in the bus lane,  
From Beth El to Ceder Rose.

## All Star

Somebody once told me that Hab is the  
best program,  
Were not the biggest kids at camp.  
But were looking pretty cool at Gillespie  
and the pool  
And we start at Beth El in the morning.

Well, the fun starts coming and it don't  
stop coming.  
Headed to the grove and we hit the  
ground running.  
Didn't make sense not to live for fun,  
Your milk gets fuzzy and you laugh a ton.  
So much to do so much to see so whats  
wrong with staying in Habonim?  
You'll never match our summer flow, no!  
Cause were the best at Camp Kee Tov,  
tov!

Hey now, were in habonim,  
Get your game on, go play  
Hey now, were the builders  
Get your ruach on, all day.  
And all that glitters is hat, cuz you know  
that we've got that ruach!

Shreckkkk

## O-night

Last night I let the O-night get the best of  
me,  
Waking up in the morning, two campers  
laying next to me.  
Plus I heard a ranger arresting me.

Cold milk and good snacks that's the  
Habonim recipe.  
Yah and we roll deep, so deep  
It's going down in the pool, concrete  
We gon play all night, no sleep  
So tell Beckett it was all of Hab,

Cuz tonight everything is on us!  
The milk is on us!  
The otter pops the ice-cream it's all on the  
bus!  
We fly I mean so fly the CKT dream  
\*\*\* I forget this line:/ \*\*  
No chugims, no specialties  
Live it up like, were in Habonim  
When E-Schoen, plays the right song  
Gon' sing gon' party all night long

No chugims, no specialties  
Live it up like, were in Habonim  
When E-Schoen, plays the right song  
Gon' sing gon' party all night long

## Chaverim Cheer

When the camp day is done  
And the school buses leave  
There's one program left and that is  
Chaverim

We have activities  
Such as playing with orbees  
You check in with the pd  
And get sunscreen

We play gaga ball and make art too  
We have courtyard and chill room  
And on shabbat we make challah with  
RUACH

Why go home when you could come to  
Chaverim  
We have fun things like  
Playing games and using friendship string

In chav your bound to  
eat cheese itz and ritz and lots of goldfish  
sometimes wheat thins

Honestly it bothers me if you're not in  
Chaverim  
or Kee Tov

## I'm Yours

Well you done done me and you bet I felt  
it  
I tried to be chill but you're so hot that I  
melted  
I fell right through the cracks  
Now I'm trying to get back  
Before the cool done run out  
I'll be giving it my bestest  
And nothing's going to stop me but di-  
vine intervention  
I reckon it's again my turn to win some or  
learn some

I won't hesitate no more, no more  
It cannot wait, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love  
love love love  
Listen to the music of the moment babay  
sing with me  
I love peace for melody  
And It's our God-forsaken right to be  
loved love loved love loved

So I won't hesitate no more, no more  
It cannot wait I'm sure  
There's no need to complicate

Our time is short  
This is our fate, I'm yours

Scooch on over closer dear  
And I will nibble your ear

I've been spending way too long check-  
ing my tongue in the mirror  
And bending over backwards just to try  
to see it clearer But my breath fogged up  
the glass  
And so I drew a new face and laughed  
I guess what I'm be saying is there ain't  
no better reason To rid yourself of vanity  
and just go with the seasons It's what we  
aim to do

Our name is our virtue

But I won't hesitate no more, no more  
It cannot wait I'm sure

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find that  
the sky is yours  
Please don't, please don't, please don't  
There's no need to complicate  
Cause our time is short  
This oh this this is our fate, I'm yours

## Everyday Good

Chorus:

Everyday is good, because of being alive  
-from the day I was born till the day that I'll die.

in high tide and in low tide I know that Jah will always be by my side.  
he is the one that carries me through the night.  
everyday he makes me open my eyes, and I will never give up the fight.  
no, I'll never give up my pride and if tomorrow I shall die, I know that today is good  
because I am alive.

Chorus

oh, mother nature, often I disrespect you but I love you.  
Oh, father Jah Jah, many times I do not appreciate the things you give me.  
I walk through the valley of the shadow of death, but I don't have no fear.  
'cause I know that at the end of the day, Jah Jah will be waiting there.

Chorus

## Brown Eyed Girl

Hey where did we go,  
Days when the rains came  
Down in the hollow,  
Playin' a new game,  
Laughing and a running hey, hey  
Skipping and a jumping  
In the misty morning fog with  
Our hearts a thumpin' and you  
My brown eyed girl,  
You my brown eyed girl.

Whatever happened  
To Tuesday and so slow  
Going down the old mine  
With a transistor radio  
Standing in the sunlight laughing,  
Hiding behind a rainbow's wall,  
Slipping and sliding  
All along the water fall, with you  
My brown eyed girl,  
You my brown eyed girl.

Do you remember when we used to sing,  
Sha la la la la la la la la la te da

So hard to find my way,  
Now that I'm all on my own.  
I saw you just the other day,  
My how you have grown,

Cast my memory back there, Lord  
Sometime I'm overcome thinking 'bout  
Making love in the green grass  
Behind the stadium with you  
My brown eyed girl  
You my brown eyed girl

Do you remember when we used to sing  
Sha la la la la la la la la la te

## Don't Stop Believin'

Just a small town girl, livin' in a lonely  
world  
She took the midnight train goin' any-  
where

Just a city boy, born and raised in south  
Detroit  
He took the midnight train goin' any-  
where

A singer in a smokey room  
A smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on and on and on

Strangers waiting, up and down the bou-  
levard  
Their shadows searching in the night  
Streetlights people, living just to find  
emotion  
Hiding, somewhere in the night

Working hard to get my fill,  
everybody wants a thrill  
Payin' anything to roll the dice,  
just one more time  
Some will win, some will lose  
Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on and on and on

Don't stop believin'  
Hold on to that feelin'  
Streetlight people

Don't stop believin'  
Hold on  
Streetlight people

Don't stop believin'  
Hold on to that feelin'  
Streetlight people

## Lean On Me

Sometime in our lives we all have pain  
We all have sorrow  
But if we are wise we know that there's  
Always tomorrow

Lean on me when you're not strong and  
I'll be your friend  
I'll help you carry on  
For it won't be long till I'm gonna need  
Somebody to lean on

Please swallow your pride if I have things  
You need to borrow  
For no one can fill those of your needs  
that you won't let show

Just call on me brother when you need a  
hand  
We all need somebody to lean on  
I just might have a problem that you'd  
understand  
We all need somebody to lean on

Lean on me when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long till 'm gonna need  
Somebody to lean on

If there is a load you have to bear  
That you can't carry  
I'm right up the road, I'll share your load  
if you just call me

Just call me when you need a friend  
Just call me when you need a friend...

## Drops of Jupiter

Now that she's back in the atmosphere  
 With drops of Jupiter in her hair, hey  
 She acts like summer and walks like rain  
 Reminds me that there's a time to change,  
 hey

Since the return from her stay on the  
 moon  
 She listens like spring and she talks like  
 June, hey, hey

But tell me, did you sail across the sun?  
 Did you make it to the Milky Way  
 To see the lights all faded  
 And that heaven is overrated?

Tell me, did you fall for a shooting star?  
 One without a permanent scar  
 And then you missed me  
 While you were looking for yourself out  
 there?

Now that she's back from that soul vaca-  
 tion

Tracing her way through the constella-  
 tion, hey

She checks out Mozart while she does  
 Tae-Bo

Reminds me that there's room to grow,  
 hey

Now that she's back in the atmosphere  
 I'm afraid that she might think of me  
 as Plain ol' Jane told a story about a man-  
 Who was too afraid to fly so he never did

Was it everything you wanted to find?  
 And then you missed me  
 While you were looking for yourself out  
 there

Can you imagine no love, pride, deep-  
 fried chicken  
 Your best friend always sticking up for  
 you  
 Even when I know you're wrong?

Can you imagine no first dance, freeze-  
 dried romance  
 Five-hour phone conversation  
 The best soy latte that you ever had, and  
 me?

But tell me, did the wind sweep you off  
 your feet?

Did you finally get the chance  
 To dance along the light of day  
 And head back toward the Milky Way?  
 But tell me, did you sail across the sun?  
 Did you make it to the Milky Way  
 To see the lights all faded  
 And that heaven is overrated?

And tell me, did you fall for a shooting  
 star?

One without a permanent scar  
 And then you missed me  
 While you were looking for yourself?

## Take Me Home Country Roads

Almost heaven, West Virginia  
Blue Ridge mountains, Shenandoah  
River.  
Life is old there, older than the trees,  
Younger than the mountains, growing like  
a breeze.

Country roads, take me home,  
To the place where I belong,  
West Virginia, mountain mama.  
Take me home, country roads.

All my mem'ries gather 'round her,  
Miner's lady, stranger to blue waters.  
Dark and dusty painted on the sky,  
Misty taste of moonshine, teardrops in  
my eye.

Country roads, take me home,  
To the place where I belong,  
West Virginia, mountain mama,  
Take me home, country roads.

I hear her voice, in the mornin' hours she  
calls me  
The radio reminds me of my home far  
away.  
Driving down the road I get a feeling  
That I should have been home yesterday,

## Imagine

Imagine there's no heaven, it's easy if you  
try  
No people below us, above it's only sky  
Imagine all the people  
Living for today

You may say I'm a dreamer  
But I'm not the only one  
Take my hand and join us  
And the world will live, will live as one

Imagine there's no countries, it isn't hard  
to do  
No need to kill or die for and no religions  
too  
Imagine all the people  
Living life in peace

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

Imagine no possessions I wonder if you  
can  
No need for greed or hunger a brother-  
hood of man  
Imagine all the people  
Sharing for the world

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

## Hey Soul Sister

Hey, hey, hey

Your lipstick stains on the front lobe of  
my left side brains

I knew I wouldn't forget you, and so I  
went and let you blow my mind

Your sweet moonbeam, the smell of you  
in every single dream I dream

I knew when we collided, you're the one  
I have decided who's one of my kind

Hey soul sister, ain't that Mr. Mister on  
the radio, stereo, the way you move ain't  
fair, you know!

Hey soul sister, I don't want to miss a  
single thing you do...tonight

Hey, hey,hey

Just in time, I'm so glad you have a one-  
track mind like me

You gave my life direction, a game show  
love connection we can't deny

I'm so obsessed, my heart is bound to  
beat right out my untrimmed chest

I believe in you, like a virgin, you're  
Madonna, and I'm always gonna wanna  
blow your mind

Hey soul sister, ain't that Mr. Mister on  
the radio, stereo, the way you move ain't  
fair, you know!

Hey soul sister, I don't want to miss a  
single thing you do...tonight

The way you can cut a rug, watching  
you's the only drug I need  
You're so gangsta, I'm so thug, you're the  
only one I'm dreaming of

You see, I can be myself now finally, in  
fact there's nothing I can't be

I want the world to see you be with me

Hey soul sister, ain't that Mr. Mister on  
the radio, stereo, the way you move ain't  
fair, you know!

Hey soul sister, I don't want to miss a  
single thing you do tonight,

Hey soul sister, I don't want to miss a  
single thing you do...tonight

Hey, hey,hey

Hey, hey,hey

Tonight

## The World's Greatest

Yeah, Uhh...

Uhh...

Yeah..

It's the world's greatest, Yo,

It's the world's greatest, Come on,

Worlds Greatest, Ever

I am a mountain

I am a tall tree

Oh, I am a swift wind

Sweepin' the country

I am a river

Down in the valley

Oh, I am a vision

And I can see clearly

If anybody asks u who I am

Just stand up tall look 'em in the Face and

say

Chorus:

I'm that star up in the sky

I'm that mountain peak up high

Hey, I made it

I'm the worlds greatest

And I'm that little bit of hope

When my backs against the ropes

I can feel it mmm

I'm the worlds greatest

And I am a hero

If anybody asks u who I am

Just stand up tall look 'em in the Face and  
say

Chorus

In the ring of life I'll reign love

(I will reign)

And the world will notice a king

(Oh Yeah)

When all is darkest, I'll shine a light

(Shine a light)

And use a success you'll find in me

(Me)

Chorus

## Here Comes the Sun

Here comes the sun (doo doo doo doo)  
Here comes the sun, and I say  
It's all right

Here comes the sun, and I say  
It's all right  
It's all right

Little darling, it's been a long cold lonely  
winter  
Little darling, it feels like years since it's  
been here  
Here comes the sun  
Here comes the sun, and I say  
It's all right

Little darling, the smiles returning to the  
faces  
Little darling, it seems like years since it's  
been here  
Here comes the sun  
Here comes the sun, and I say  
It's all right

Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes

Little darling, I feel that ice is slowly  
melting  
Little darling, it seems like years since it's

## Circle Game

Yesterday a child came out to wander,  
Caught a dragonfly inside a jar,  
Fearful when the sky was full of thunder,  
And tearful at the falling of a star.

And the seasons, they go round and round.  
And the painted ponies go up and down,  
We're captive on a carousel of time,  
We can't return we can only look,  
Behind from where we came,  
And go round and round and round in a circle game.

Then the boy turned ten times round the seasons,  
Skated over ten clear frozen streams,  
Words like 'when you're older' must appease him,  
And promises of someday fill his dreams,

Chorus

Sixteen springs and sixteen summers gone now,  
Cart wheels turn to car wheels through the town,  
And they tell him, take your time it won't be long now,  
Till you drag your feet to slow the circles down.

Chorus

Years spin and by now the boy in twenty,  
Though his dreams have lost some grandeur coming true,  
There'll be new dreams, maybe better dreams and plenty,  
Before the last revolving year in through.

Chorus

## Rhythm of Love

My head is stuck in the clouds  
She begs me to come down  
Says, "Boy, quit foolin' around"  
I told her, "I love the view from up here  
Warm sun and wind in my ear  
We'll watch the world from above  
As it turns to the rhythm of love"

We may only have tonight  
But till the morning sun, you're mine  
All mine  
Play the music low  
And sway to the rhythm of love

My heart beats like a drum  
A guitar string to the strum  
A beautiful song to be sung  
She's got blue eyes deep like the sea  
That roll back when she's laughing at me  
She rises up like the tide  
The moment her lips meet mine

We may only have tonight  
But till the morning sun, you're mine  
All mine  
Play the music low  
And sway to the rhythm of love

When the moon is low

We may only have tonight  
But till the morning sun, you're mine  
All mine  
Play the music low  
And sway to the rhythm of love  
Play the music low  
And sway to the rhythm of love  
Yeah, sway to the rhythm of love

## Drive By

On the other side of a street I knew  
 Stood a girl that looked like you  
 I guess that's déjà vu  
 But I thought this can't be true  
 'Cause you moved to west LA  
 Or New York or Santa Fe  
 Or wherever to get away from me

Oh but that one night  
 Was more than just right  
 I didn't leave you 'cause I was all through  
 Oh I was overwhelmed and frankly  
 scared as hell  
 Because I really fell for you

Chorus:

Oh I swear to you  
 I'll be there for you  
 This is not a drive by  
 Just a shy guy looking for a two-ply  
 Hefty bag to hold my love  
 When you move me everything is groovy  
 They don't like it sue me  
 Either way you do me  
 Oh I swear to you  
 I'll be there for you  
 This is not a drive by

On the upside of a downward spiral  
 My love for you went viral  
 And I loved you every mile you drove  
 away  
 But now here you are again  
 So let's skip the "how you been"  
 And get down to the "more than friends"  
 at last

Oh but that one night  
 Is still the highlight  
 I didn't need you until I came to  
 And I was overwhelmed and frankly  
 scared as hell  
 Because I really fell for you

Chorus

Please believe that when I leave  
 There's nothing up my sleeve but love for  
 you  
 And a little time to get my head together  
 too

On the other side of a street I knew  
 Stood a girl that looked like you  
 I guess that's déjà vu  
 But I thought this can't be true  
 'Cause

Chorus

## Home

Alabama Arkansas I do love my Ma and  
Pa  
Not the way that I do love you

Well holy moly me oh my  
You're the apple of my eye  
Girl I've never loved one like you

Man o man you're my best friend  
I scream it to the nothingness  
There ain't nothing that I need

Hot and heavy pumpkin pie  
Chocolate candy Jesus Christ  
Ain't nothing please me more than you

Home, let me come home  
Home is wherever I'm with you  
Home, let me come home  
Home is wherever I'm with you

La la la la  
Take me home  
Mama I'm coming home

I follow you into the park,  
Through the jungle, through the dark  
Girl I've never loved one like you

Moats and boats and waterfalls,  
Alleyways and payphone calls  
I been everywhere with you (that's true)

Laugh until we think we'll die,  
Barefoot on a summer night  
Never could be sweeter than with you

And in the streets you run afree,  
Like it's only you and me,  
Geeze, you're something to see.

Home, let me come home  
Home is wherever I'm with you  
Home, let me come home  
Home is wherever I'm with you

La la la la  
Take me home  
Mama I'm coming home

Home, let me come home, home is wher-  
ever I'm with you  
Our home, yes I'm home, home is when  
I'm alone with you

Alabama Arkansas I do love my Ma and  
Pa  
Moats and boats and waterfalls,  
Alleyways and payphone calls

Home is when I'm alone with you!  
Home is when I'm alone with you!

## Wagon Wheel

Heading down south to the land of the  
 pines  
 I'm thumbing my way into North Caroline  
 Staring up the road and pray to God I see  
 headlights  
 I made it down the coast in seventeen  
 hours  
 Picking me a bouquet of dogwood flowers  
 And I'm a-hopin' for Raleigh, I can see my  
 baby tonight

Chorus:

So rock me mamma like a wagon wheel  
 Rock me mamma any way you feel  
 Hey, mamma rock me  
 Rock me mamma like the wind and the  
 rain  
 Rock me mamma like a south bound train  
 Hey, mamma rock me

I'm running from the cold up in New  
 England  
 I was born to be a fiddler in an old time  
 string band  
 My baby plays a guitar, I pick a banjo now  
 Oh, north country winters keep a-getting  
 me down  
 Lost my money playing poker so I had to  
 leave town  
 But I ain't turning back to living that old  
 life no more

Chorus

Walkin' to the south out of Roanoke  
 Caught a trucker out of Philly had a nice  
 long joke  
 But he's a heading west from the Cum-  
 berland gap  
 To Johnson City, Tennessee  
 And I gotta get a move on before the sun  
 I hear my baby calling my name and I  
 know that she's the only one  
 And if I die in Raleigh at least I will die  
 free

Chorus

Oh, so rock me mamma like a wagon  
 wheel  
 Rock me mamma any way you feel  
 Hey, mamma rock me (mama rock me,  
 mama rock me)  
 Rock me mamma like the wind and the  
 rain  
 Rock me mamma like a south bound  
 train  
 Hey, ey yeah mamma rock me (you can  
 rock me, rock me)

## Hallelujah

I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you?  
It goes like this  
The fourth, the fifth  
The minor fall, the major lift  
The baffled king composing Hallelujah

Chorus:

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Your faith was strong but you need proof  
You saw her bathing on the roof  
Her beauty in the moonlight overthrew you  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah

Chorus

Baby I have been here before  
I know this room, I've walked this floor  
I used to live alone before I knew you.  
I've seen your flag on the marble arch  
Love is not a victory march  
It's a cold and it's a broken Hallelujah

Chorus

There was a time when you let me know  
What's really going on below  
But now you never show it to me, do you?

And remember when I moved in you  
The holy dove was moving too  
And every breath we drew was Hallelujah

Chorus

Maybe there's a God above  
But all I've ever learned from love  
Was how to shoot at someone who outdrew you  
It's not a cry you can hear at night  
It's not somebody who has seen the light  
It's a cold and it's a broken Hallelujah

Chorus

You say I took the name in vain  
I don't even know the name  
But if I did, well, really, what's it to you?  
There's a blaze of light in every word  
It doesn't matter which you heard  
The holy or the broken Hallelujah

Chorus

I did my best, it wasn't much  
I couldn't feel, so I tried to touch  
I've told the truth, I didn't come to fool you  
And even though it all went wrong  
I'll stand before the Lord of Song  
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah (x8)

## Free Falling

She's a good girl, loves her mama  
Loves Jesus and America too  
She's a good girl, crazy 'bout Elvis  
Loves horses and her boyfriend too

It's a long day livin' in Reseda  
There's a freeway runnin' through the  
yard  
And I'm a bad boy, 'cause I don't even  
miss her  
I'm a bad boy for breakin' her heart

And I'm free, I'm free fallin'

All the vampires walkin' through the  
valley  
Move west down Ventura Blvd  
And all the bad boys are standing in the  
shadows  
All the good girls are home with broken  
hearts

And I'm free, I'm free fallin'

I wanna glide down over Mulholland  
I wanna write her name in the sky  
I wanna free fall out into nothin'  
Gonna leave this world for awhile

And I'm free, I'm free fallin'

## Golden by Harry Adams

Oh my earliest nights they were sleepless  
Under my covers I' dream  
I'm asleep in a tent on Mount Everest  
I'd poke out my head and I'd freeze

Well my sister was born on an island  
My brother was born in my dreams  
Well I see him eash night and he's smiling  
He told me, he told me, he told me, it's not  
how it seems

Well the bones in my body are golden  
They'll make necklaces out of my teeth  
And the thought in my head they are golden  
They'll make Disney films out of my dreams

## Cowboy Take Me Away

I said, I wanna touch the earth  
I wanna break it in my hands  
I wanna grow something wild and unruly  
I wanna sleep on the hard ground  
In the comfort of your arms  
On a pillow of blue bonnets  
In a blanket made of stars  
Oh, it sounds good to me

I said, cowboy take me away  
Fly this girl as high as you can into the  
wild blue  
Set me free, oh, I pray  
Closer to heaven above and closer to you  
Closer to you

I wanna walk and not run  
I wanna skip and not fall  
I wanna look at the horizon and not see a  
building standing tall  
I wanna be the only one for miles and  
miles  
Except for maybe you and your simple  
smile  
Oh, it sounds good to me  
Yes, it sounds so good to me

I said, cowboy take me away  
Fly this girl as high as you can into the  
wild blue  
Set me free, oh, I pray  
Closer to heaven above and closer to you  
Closer to you

I said, I wanna touch the earth  
I wanna break it in my hands  
I wanna grow something wild and unruly  
Oh, it sounds so good to me

Cowboy take me away  
Fly this girl as high as you can into the  
wild blue  
Set me free, oh, I pray  
Closer to heaven above and closer to you  
Closer to you  
Closer to you  
Cowboy take me away  
Closer to you

## Friends in Low Places

Blame it all on my roots  
I showed up in boots  
And ruined your black-tie affair  
The last one to know  
The last one to show  
I was the last one you thought you'd see  
there

And I saw the surprise  
And the fear in his eyes  
When I took his glass of champagne  
And I toasted you  
Said, "Honey, we may be through,  
But you'll never hear me complain."

Chorus:  
'Cause I've got friends in low places  
Where the whiskey drowns  
And the beer chases  
My blues away  
And I'll be okay  
I'm not big on social graces  
Think I'll slip on down to the oasis  
Oh, I've got friends in low places

Well, I guess I was wrong  
I just don't belong  
But then I've been there before  
Everything's all right  
I'll just say goodnight  
And I'll show myself to the door

Hey, I didn't mean  
To cause a big scene  
Just give me an hour and then  
Well, I'll be as high  
As that ivory tower  
That you're livin' in

Chorus

I've got friends in low places  
Where the whiskey drowns  
And the beer chases  
My blues away  
And I'll be okay  
I'm not big on social graces  
Think I'll slip on down to the oasis  
Oh, I've got friends in low places (2X)

I've got friends in low places  
Where the whiskey drowns  
And the beer chases  
My blues away  
And I'll be okay

## Bless the Broken Road

I set out on a narrow way many years ago  
Hoping I would find true love along the  
broken road  
But I got lost a time or two  
Wiped my brow and kept pushing through

I couldn't see how every sign pointed  
straight to you  
That every long lost dream lead me to  
where you are  
Others who broke my heart, they were  
like northern stars  
Pointing me on my way into your loving  
arms

This much I know is true  
That God blessed the broken road  
That led me straight to you  
Yes it did

I think about the years I spent just passing  
through  
I'd like to have the time I lost and give it  
back to you  
But you just smile and take my hand  
You've been there you understand  
It's all part of a grander plan that is com-  
ing true

Every long lost dream led me to where  
you are  
And others who broke my heart they were  
like northern stars  
Pointing me on my way into your loving  
arms  
This much I know it's true  
That God blessed the broken road  
That led me straight to you  
Yeah

And now I'm just rolling home  
Into my lover's arms  
This much I know is true  
That God blessed the broken road  
That led me straight to you

That God blessed the broken road  
Ooh, ooh  
That led me straight to you

## Travelin' Soldier

Two days past eighteen  
He was waiting for the bus in his army  
green  
Sat down in a booth in a cafe there  
Gave his order to a girl with a bow in her  
hair  
He's a little shy so she gives him a smile  
And he said, "Would you mind sittin'  
down for a while And talking to me?  
I'm feeling a little low."  
She said, "I'm off in an hour and I know  
where we can go."

So they went down and they sat on the  
pier  
He said I bet you got a boyfriend but I  
don't care  
I got no one to send a letter to  
Would you mind if I sent one back here  
to you

Chorus:  
I cried  
Never gonna hold the hand of another  
guy  
Too young for him they told her  
Waitin' for the love of a travelin' soldier  
Our love will never end  
Waitin' for the soldier to come back again  
Never more to be alone when the letter  
said  
A soldier's coming home

So the letters came from an army camp  
In California then Vietnam  
And he told her of his heart  
It might be love and all of the things he  
was so scared of  
He said, "When it's getting kinda rough  
over here,  
I think of that day sittin' down at the pier.  
And I close my eyes and see your pretty  
smile.  
Don't worry but I won't be able to write  
for awhile."

Chorus

One Friday night at a football game  
The Lord's Prayer said and the Anthem  
sang  
A man said, "Folks would you bow your  
heads  
For a list of local Vietnam dead."  
Crying all alone under the stands  
Was a piccolo player in the marching  
band  
And one name read but nobody really  
cared  
But a pretty little girl with a bow in her  
hair

Chorus

## Callin' Baton Rouge

I spent last night in the arms of a girl in  
Louisiana  
And though I'm out on the highway, my  
thoughts are still with her  
Such a strange combination of a woman  
and a child  
Such a strange situation stoppin' every  
hundred miles  
Callin' Baton Rouge

A replay of last night's events roll  
through my mind  
Except a scene or two erased by sweet red  
wine  
And I see a truck stop sign ahead, so I  
change lanes  
I need a cup of coffee and a couple dol-  
lars change  
Callin' Baton Rouge

Operator, won't you put me on through  
I gotta send my love down to Baton  
Rouge  
Hurry up, won't you put her on the line  
I gotta talk to the girl just one more time

Hello, Samantha dear, I hope you're  
feelin' fine  
And it won't be long until I'm with you  
all the time  
But until then, I'll spend my money up  
right down to my last dime  
Callin' Baton Rouge

Operator, won't you put me on through  
I gotta send my love down to Baton  
Rouge  
Hurry up, won't you put her on the line  
I gotta talk to the girl just one more time  
Callin' Baton Rouge

Sweet Baton Rouge

## Die a Happy Man

Baby last night was hands down  
One of the best nights  
That I've had no doubt  
Between the bottle of wine  
And the look in your eyes and the Marvin  
Gaye  
Then we danced in the dark under Sep-  
tember stars in the pourin' rain

And I know that I can't ever tell you  
enough  
That all I need in this life is your crazy  
love  
If I never get to see the Northern lights  
Or if I never get to see the Eiffel Tower at  
night  
Oh if all I got is your hand in my hand  
Baby I could die a happy man  
A happy man, baby, hmm

Baby and that red dress brings me to my  
knees  
Oh but that black dress makes it hard to  
breathe  
You're a saint, you're a goddess, the cut-  
est, the hottest, a masterpiece  
It's too good to be true, nothing better  
than you  
In my wildest dreams

And I know that I can't ever tell you  
enough  
That all I need in this life is your crazy  
love  
If I never get to see the Northern lights  
Or if I never get to see the Eiffel Tower at  
night  
Oh if all I got is your hand in my hand  
Baby I could die a happy man yeah

I don't need no vacation, no fancy desti-  
nation  
Baby you're my great escape  
We could stay at home, listen to the radio  
Or dance around the fireplace

And if I never get to build my mansion in  
Georgia  
Or drive a sports car up the coast of Cali-  
fornia  
Well if all I got is your hand in my hand  
Baby I could die a happy man

Baby I could die a happy man  
Oh, I could die a happy man  
You know I could girl  
I could die, I could die a happy man, uh  
oh hmm

## The General

There was a decorated General with a heart  
of gold  
That likened him to all the stories he told  
Of past battles won and lost and legends of  
old  
A seasoned veteran in his own time

On the battlefield he gained respect for fame  
With many metals of bravery and stripes to  
his name  
He grew a beard as soon as he could to cover  
the scars on his face  
And always urged his men on

But on the eve of great battle with the infan-  
try and dream  
The old general tossed in his sleep and wres-  
tled with its meaning  
He awoke from that night to tell what he had  
seen  
And walked slowly out of his tent

All the men held tall with their chests in the  
air  
With the courage in their blood and a fire in  
their stare  
And it was a gray morning and they all won-  
dered how they would fair  
Till the old general told them to go home

Chorus:  
He said  
I have seen the others  
And I have discovered  
That this fight is not worth fighting  
And I've have seen their mothers  
And I will no other  
To follow me where I'm going

So, take your shower, shine your shoes  
You got no time to lose  
You are young men, you must be living  
Take your shower, shine your shoes  
Well, you got no time to lose  
You are young men, you must be living  
Go now, you are forgiven

But the men stood fast with their guns on  
their shoulders  
Not knowing what to do with the contradict-  
ing orders  
The general said he would do his own duty  
but he would extend it no further  
The men could go as they pleased

But not a man moved, their eyes gazed  
straight ahead  
Till one by one they stepped back and not a  
word was said  
And the old general was left with his own  
words echoing in his head  
He then prepared to fight

Chorus

## American Pie

A long long time ago  
I can still remember how  
That music used to make me smile  
And I knew if I had my chance  
That I could make those people dance  
And maybe they'd be happy for a while

But February made me shiver  
With every paper I'd deliver  
Bad news on the doorstep  
I couldn't take one more step

I can't remember if I cried  
When I read about his widowed bride  
Something touched me deep inside  
The day the music died  
So

Chorus:  
Bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee  
was dry  
And them good ole boys were drinking whis-  
key and rye  
Singin' this'll be the day that I die  
This'll be the day that I die

Did you write the book of love  
And do you have faith in God above  
If the Bible tells you so?  
Do you believe in rock and roll?  
Can music save your mortal soul?  
And can you teach me how to dance real  
slow?

Well, I know that you're in love with him  
'Cause I saw you dancin' in the gym  
You both kicked off your shoes  
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck  
With a pink carnation and a pickup truck  
But I knew I was out of luck  
The day the music died  
I started singin'

Chorus

Now, for ten years we've been on our own  
And moss grows fat on a rolling stone  
But, that's not how it used to be

When the jester sang for the king and queen  
In a coat he borrowed from James Dean  
And a voice that came from you and me

Oh and while the king was looking down  
The jester stole his thorny crown  
The courtroom was adjourned  
No verdict was returned

And while Lennon read a book on Marx  
The quartet practiced in the park  
And we sang dirges in the dark  
The day the music died  
We were singin'

Chorus

## Cecilia

Celia, you're breaking my heart  
You're shaking my confidence daily  
Oh, Cecilia, I'm down on my knees  
I'm begging you please to come home

Celia, you're breaking my heart  
You're shaking my confidence daily  
Oh, Cecilia, I'm down on my knees  
I'm begging you please to come home  
Come on home

Making love in the afternoon with Cecilia  
Up in my bedroom (making love)  
I got up to wash my face  
When I come back to bed  
Someone's taken my place

Celia, you're breaking my heart  
You're shaking my confidence daily  
Oh, Cecilia, I'm down on my knees  
I'm begging you please to come home  
Come on home

Jubilation,  
She loves me again,  
I fall on the floor and I laughing,

Jubilation,  
She loves me again,  
I fall on the floor and I'm laughing

## Me & Julio

The mama pajama rolled out of bed  
And she ran to the police station  
When the papa found out he began to  
shout  
And he started the investigation  
Its against the law  
It was against the law  
What the mama saw  
It was against the law

The mama looked down and spit on the  
ground  
Everytime my name gets mentioned  
The papa said oy if I get that boy  
Im gonna stick him in the house of deten-  
tion  
Well Im on my way  
I don't know where Im going  
Im on my way

Im taking my time  
But I don't know where  
Goodbye to rosie the queen of corona  
See you, me and julio  
Down by the schoolyard  
See you, me and julio  
Down by the schoolyard  
Me and julio down by the schoolyard

In a couple of days they come and take  
me away  
But the press let the story leak  
And when the radical priest  
Come to get me released  
We was all on the cover of newsweek  
And Im on my way  
I don't know where Im going  
Im on my way

Im taking my time  
But I don't know where  
Goodbye to rosie the queen of corona  
See you, me and julio

Down by the schoolyard  
See you, me and julio  
Down by the schoolyard  
Me and julio down by the schoolyard

## Wild World

Now that I've lost everything to you,  
you say you want to start something new,  
and it's breaking my heart you're leaving,  
baby I'm grieving.

But if you wanna leave take good care,  
hope you have a lot of nice things to  
wear,  
but then a lot of nice things turn bad out  
there.

Oh baby baby it's a wild world,  
it's hard to get by just upon a smile.  
Oh baby baby it's a wild world.

I'll always remember you like a child,  
girl.  
You know I've seen a lot of what the  
world can do,  
and it's breaking my heart in two,  
cause I never want to see you sad girl,  
don't be a bad girl,  
but if you want to leave take good care,  
hope you make a lot of nice friends out  
there,  
but just remember there's a lot of bad and  
beware, beware,

Oh baby baby it's a wild world,  
it's hard to get by just upon a smile  
Oh baby baby it's a wild world,  
and I'll always remember you like a  
child, girl.

Baby I love you, but if you wanna leave  
take good care,  
hope you make a lot of nice friends out  
there,  
but just remember there's a lot of bad,  
and beware, beware,

Oh baby baby it's a wild world,  
it's hard to get by just upon a smile.  
Oh baby baby it's a wild world,  
and I'll always remember you like a child,  
girl.

## Lovely Day

When I wake up in the morning love  
and the sun light hurts my eyes

And something without worning  
love  
bears heavy on my mind.  
Then I look at you and the world's alright  
with me

Just one look at you and I know it's gon-  
na be -

A lovely day - lovely day  
lovely day  
lovely day  
lovely day

Lovely day  
lovely day  
lovely day  
lovely day.  
A lovely day - lovely day  
lovely day  
lovely day  
lovely day

Lovely day  
lovely day  
lovely day  
lovely day.

When the day that lies ahead of me seems  
impossible to face

And someone else instead of me always  
seems to know the way  
Then I look at you and the world's alright  
with me

Just one look at you and I know it's gonna  
be -

A lovely day - lovely day  
lovely day  
lovely day  
lovely day

...

Whe  
n the day that lies ahead of me seems  
impossible to face

...

A lovely day - lovely day

## Galileo

Galileo's head was on the block  
The crime was lookin' up the truth  
And as the bombshells of my daily fears  
explode  
I try to trace them to my youth  
And then you had to bring up reincarnation  
Over a couple of beers the other night  
And now I'm serving time for mistakes  
Made by another in another life time

How long 'til my soul gets it right  
Can any human being ever reach that kind of  
light

I call on the resting soul of Galileo king of  
night vision  
King of insight  
And then I think about my fear of motion  
Which I never could explain  
Some other fool across the ocean years ago  
Must have crashed his little airplane  
How long 'til my soul gets it right  
Can any human being ever reach that kind of  
light

I call on the resting soul of Galileo king of  
night vision  
King of insight  
I'm not making a joke  
You know me I take everything so seriously  
If we wait for the time 'til all souls get it right  
Then at least I know there'll be no nuclear  
annihilation in my life time  
I'm still not right

I offer thanks to those before me  
That's all I've got to say  
'Cause maybe you squandered big bucks in  
your lifetime  
Now I have to pay

But then again it feels like some sort of inspi-  
ration  
To let the next life off the hook  
Or she'll say look what I had to overcome  
from my last life  
I think I'll write a book

How long 'til my soul gets it right  
Can any human being ever reach the highest  
light  
Except for Galileo, God rest his soul  
King of the night vision, king of insight  
How long (until my soul gets it right)  
How long (until my soul gets it right)  
How long

## Closer to Fine

I'm trying to tell you something about my  
life

Maybe give me insight between black and  
white

The best thing you've ever done for me  
Is to help me take my life less seriously,  
it's only life after all Well darkness has a  
hunger that's insatiable And lightness has  
a call that's hard to hear I wrap my fear  
around me like a blanket

I sailed my ship of safety till I sank it, I'm  
crawling on your shore.

Chorus:

I went to the doctor, I went to the moun-  
tains

I looked to the children, I drank from the  
fountain There's more than one answer to  
these questions pointing me in crooked  
line

The less I seek my source for some defin-  
itive

The closer I am to fine.

I went to see the doctor of philosophy  
With a poster of Rasputin and a beard  
down to his knee He never did marry or  
see a B-grade movie He graded my per-  
formance, he said he could see through  
me I spent four years prostrate to the  
higher mind, got my paper  
And I was free.

Chorus

I stopped by the bar at 3 a.m. To seek so-  
lace in a bottle or possibly a friend I woke  
up with a headache like my head against a  
board

Twice as cloudy as I'd been the night  
before

I went in seeking clarity.

I went to the doctor, I went to the moun-  
tains

I looked to the children, I drank from the  
fountain There's more than one answer to  
these questions pointing me in crooked  
line

The less I seek my source for some defin-  
itive

The closer I am to fine. (x2)

We go to the bible, we go through the  
workout

We read up on revival and we stand up for  
the lookout

There's more than one answer to these  
questions  
pointing me in a crooked line

The less I seek my source for some defin-  
itive

The closer I am to fine (x3)

## What I Got

Early in the morning, risin' to the street  
Light me up that cigarette and I strap  
shoes on my feet  
Got to find a reason, a reason things went  
wrong  
Got to find a reason why my money's all  
gone  
I got a dalmation, and I can still get high  
I can play the guitar like a mother fucking  
riot

Well, life is (too short), so love the one  
you got  
'Cause you might get runover or you  
might get shot  
Never start no static I just get it off my  
chest  
Never had to battle with no bulletproof  
vest  
Take a small example, take a tip from me  
Take all of your money, give it all to  
charity  
Love is what I got  
It's within my reach

And the Sublime style's still straight from  
Long Beach  
It all comes back to you, you'll finally get  
what you deserve  
Try and test that you're bound to get  
served  
Love's what I got  
Don't start a riot  
You'll feel it when the dance gets hot

Lovin', is what I got, I said remember that  
Lovin', is what I got, I said remember that  
Lovin', is what I got, I said remember that  
Lovin', is what I got

(That's) why I don't cry when my dog runs  
away  
I don't get angry at the bills I have to pay  
I don't get angry when my Mom smokes  
pot  
Hits the bottle and goes right to the rock  
Fuckin' and fightin', it's all the same  
Livin' with Louie dog's the only way to  
stay sane  
Let the lovin', let the lovin' come back to  
me

Lovin', is what I got, I said remember that  
Lovin', is what I got, I said remember that  
Lovin', is what I got, I said remember that  
Lovin', is what I got, I got I got I got

## Santeria

I don't practice Santeria, I ain't got no  
crystal ball  
I had a million dollars but I'd, I'd spend  
it all  
If I could find that Heina and that Sancho  
that she's found  
I'd pop a cap in Sancho and I'd slap her  
down

All I really want to know  
I already know  
All I really want to say  
I can't define  
It's love that I need  
My soul will have to wait 'til I get back  
and find  
Heina of my own  
Daddy's gonna love one and all  
I feel the break, feel the break, feel the  
break and I got to live it out, oh yeah

Well I swear that I, I really want to know,  
I really, what I really want to stay, I cant  
define  
That love make it go, my soul will have  
to

What I really want to say, ah baby  
What I really want to say, is I've got mine  
And I'll make it, yes I'm going up  
Tell Sanchito that if he knows what is  
good for him  
He best go run and hide  
Daddy's got a new .45  
And I won't think twice to stick that bar-  
rel straight down Sancho's throat  
Believe me when I say that I got somethin'  
for his punk ass

What I really want know, ah baby  
What I really want to say is there's just one  
way back  
And I'll make it, yeah, my soul will have  
to wait

## Wonderwall

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do about you now

Backbeat the word was on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody feels  
The way I do about you now

And all the roads we have to walk along  
are winding  
And all the lights that lead us there are  
blinding  
There are many things that I would  
Like to say to you  
I don't know how

Because maybe  
You're gonna be the one who saves me ?  
And after all  
You're my wonderwall

Today was gonna be the day?  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do  
About you now

And all the roads that lead to you were  
winding  
And all the lights that light the way are  
blinding  
There are many things that I would like to  
say to you  
I don't know how

I said maybe  
You're gonna be the one who saves me ?  
And after all  
You're my wonderwall

I said maybe  
You're gonna be the one who saves me ?  
And after an  
You're my wonderwall

Said maybe  
You're gonna be the one that saves me  
You're gonna be the one that saves me  
You're gonna be the one that saves me

## Redemption Song

Old pirates, yes, they rob I;  
 Sold I to the merchant ships,  
 Minutes after they took I  
 From the bottomless pit.  
 But my hand was made strong  
 By the 'and of the Almighty.  
 We forward in this generation  
 Triumphantly.  
 Won't you help to sing  
 These songs of freedom? -  
 'Cause all I ever have:  
 Redemption songs;  
 Redemption songs.

Emancipate yourselves from mental  
 slavery;  
 None but ourselves can free our minds.  
 Have no fear for atomic energy,  
 'Cause none of them can stop the time.  
 How long shall they kill our prophets,  
 While we stand aside and look? Ooh!  
 Some say it's just a part of it:  
 We've got to fulfil de book.

Won't you help to sing  
 These songs of freedom? -  
 'Cause all I ever have:  
 Redemption songs;  
 Redemption songs;  
 Redemption songs

Emancipate yourselves from mental  
 slavery;  
 None but ourselves can free our mind.  
 Wo! Have no fear for atomic energy,  
 'Cause none of them-a can-a stop-a the  
 time.  
 How long shall they kill our prophets,  
 While we stand aside and look?  
 Yes, some say it's just a part of it:  
 We've got to fulfil de book.  
 Won't you help to sing  
 Dese songs of freedom? -  
 'Cause all I ever had:  
 Redemption songs -  
 All I ever had:  
 Redemption songs:  
 These songs of freedom,  
 Songs of freedom.

## No Woman No Cry

No, woman, no cry;  
No, woman, no cry;  
No, woman, no cry;  
No, woman, no cry.

'Cause - 'cause - 'cause I remember when a  
we used to sit  
In a government yard in Trenchtown,  
Oba - obaserving the 'ypocrites - yeah! -  
Mingle with the good people we meet, yeah!  
Good friends we have, oh, good friends we  
have lost  
Along the way, yeah!  
In this great future, you can't forget your  
past;  
So dry your tears, I seh. Yeah!

No, woman, no cry;  
No, woman, no cry. Eh, yeah!  
A little darlin', don't shed no tears:  
No, woman, no cry. Eh!

Said - said - said I remember when we used  
to sit  
In the government yard in Trenchtown, yeah!  
And then Georgie would make the fire lights,  
I seh, logwood burnin' through the nights,  
yeah!  
Then we would cook cornmeal porridge, say,  
Of which I'll share with you, yeah!  
My feet is my only carriage  
And so I've got to push on through.

Oh, while I'm gone,  
Everything's gonna be all right!  
Everything's gonna be all right!  
Everything's gonna be all right, yeah!  
Everything's gonna be all right!  
Everything's gonna be all right-a!  
Everything's gonna be all right!  
Everything's gonna be all right, yeah!  
Everything's gonna be all right!

So no, woman, no cry;  
No, woman, no cry.  
I seh, O little - O little darlin', don't shed no  
tears;  
No, woman, no cry, eh.

No, woman - no, woman - no, woman, no cry;  
No, woman, no cry.  
One more time I got to say:  
O little - little darlin', please don't shed no  
tears;  
No, woman, no cry.

## The Dock of the Bay

Sittin' in the morning sun,  
I'll be sittin' when the evenin' come.  
Watchin' the ships roll in,  
Then I watch 'em roll away again.

Yeah, I'm sittin on the dock of the bay,  
Watchin' the tide roll away.  
Ooh, I'm just sittin' on the dock of the  
day,  
Wastin' time.

I left my home in Georgia,  
Headed for the Frisco bay.  
I have nothin' to live for,  
Look like nothin's gonna come my way.

So I'm just gonna sit on the dock of the  
bay,  
Watchin' the tide roll away.  
Ooh, I'm just sittin' on the dock of the  
day,  
Wastin' time.

Looks like nothin's gonna change;  
Everything still remains the same.  
I can't do what ten people tell me to do,  
So I guess I'll remain the same.

Sittin' here restin' my bones,  
And this loneliness won't leave me alone.  
Two housand miles I roam,  
Just to make this dock my home.

Now I'm just gonna sit at the dock of the  
bay,  
Watchin' the tide roll away.  
Ooh, I'm just sittin' on the dock of the bay,  
Wastin' time.

## Unwritten

I am unwritten, can't read my mind, I'm  
undefined  
I'm just beginning, the pen's in my hand,  
ending unplanned

Staring at the blank page before you  
Open up the dirty window  
Let the sun illuminate the words that you  
could not find

Reaching for something in the distance  
So close you can almost taste it  
Release your inhibitions  
Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins  
The rest is still unwritten

Oh, oh, oh

I break tradition, sometimes my tries, are  
outside the lines  
We've been conditioned to not make mis-  
takes, but I can't live that way

Staring at the blank page before you  
Open up the dirty window  
Let the sun illuminate the words that you  
could not find

Reaching for something in the distance  
So close you can almost taste it  
Release your inhibitions  
Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins

Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins  
The rest is still unwritten  
The rest is still unwritten  
The rest is still unwritten

Oh, yeah, yeah

## Let it Be

When I find myself in times of trouble,  
mother Mary comes to me,  
speaking words of wisdom, let it be.  
And in my hour of darkness she is stand-  
ing right in front of me,  
speaking words of wisdom, let it be.

Let it be, let it be, let it be, let it be.  
Whisper words of wisdom, let it be.

And when the broken hearted people  
living in the world agree,  
there will be an answer, let it be.  
For though they may be parted there is  
still a chance that they will see,  
there will be an answer. let it be.

Let it be, let it be, .....

And when the night is cloudy, there is  
still a light, that shines on me,  
shine until tomorrow, let it be.  
I wake up to the sound of music, mother  
Mary comes to me,  
speaking words of wisdom, let it be.

Let it be, let it be, .....

## Oh La La

Poor old Granddad, I laughed at all his words

I thought he was a bitter man  
he spoke of women's ways  
they'll trap you when they use you  
before you even now  
for love is blind and you're far to kind  
don't ever let it show

I wish that I knew what I know now  
when I was younger

I wish that I knew what I know now  
when I was stronger

the can-can such a pretty show  
will steal your heart away  
but backstage back on earth again  
the dressing rooms are grey  
they come on strong and it ain't too long  
for they make you feel a man  
but love is blind and you soon will find  
you're just a boy again

when you want her lips, you get her  
cheek  
makes you wonder where you are  
if you want some more then she's fast  
asleep  
leaves you twinkling with the stars  
poor young grandson there's nothing I  
can say  
you'll have to learn, just like me  
and that's the hardest way

ooh la la  
ooh la la, la la, yeah

I wish that I knew what I know now  
when I was younger  
I wish that I knew what I know now  
when I was stronger

## Blackbird

Blackbird singing in the dead of night  
Take these broken wings and learn to fly  
All your life  
You were only waiting for this moment to  
arise

Black bird singing in the dead of night  
Take these sunken eyes and learn to see  
all your life  
you were only waiting for this moment to  
be free

Blackbird fly, Blackbird fly  
Into the light of the dark black night.

Blackbird fly, Blackbird fly  
Into the light of the dark black night.

Blackbird singing in the dead of night  
Take these broken wings and learn to fly  
All your life  
You were only waiting for this moment to  
arise (x3)

## Yellow Submarine

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines

So we sailed up to the sun  
Till we found the sea of green  
And we lived beneath the waves  
In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

And our friends are all on board  
Many more of them live next door  
And the band begins to play

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

As we live a life of ease (A life of ease)  
Everyone of us (Everyone of us) has all  
we need (Has all we need)  
Sky of blue (Sky of blue) and sea of  
green (Sea of green)  
In our yellow (In our yellow) submarine  
(Submarine, ha, ha)

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

## I Will Survive

At first I was afraid, I was petrified  
 Kept thinking I could never live  
 without you by my side  
 But then I spent so many nights  
 thinking how you did me wrong  
 And I grew strong and I learned how to  
 get along  
 and so you're back, from outer space  
 I just walked in to find you here  
 with that sad look upon your face  
 I should have changed that stupid lock  
 I should have made you leave your key  
 If I had known for just one second  
 you'd be back to bother me

Go on now go walk out the door  
 just turn around now 'cause you're not  
 welcome anymore weren't you the one  
 who tried to hurt me with goodbye  
 Did you think I'd crumble  
 Did you think I'd lay down and die  
 Oh no, not I  
 I will survive  
 oh as long as i know how to love  
 I know I'll stay alive  
 I've got all my life to live  
 I've got all my love to give  
 and I'll survive  
 I will survive (hey hey)

It took all the strength I had  
 not to fall apart  
 kept trying hard to mend  
 the pieces of my broken heart  
 and I spent oh so many nights  
 just feeling sorry for myself  
 I used to cry  
 But now I hold my head up high  
 and you see me  
 somebody new  
 I'm not that chained up little person  
 still in love with you  
 and so you felt like dropping in  
 and just expect me to be free  
 But now I'm saving all my loving  
 for someone who's loving me

Go on now go walk out the door  
 just turn around now 'cause you're not  
 welcome anymore weren't you the one  
 who tried to hurt me with goodbye  
 Did you think I'd crumble  
 Did you think I'd lay down and die  
 Oh no, not I  
 I will survive  
 oh as long as i know how to love  
 I know I'll stay alive  
 I've got all my life to live  
 I've got all my love to give  
 and I'll survive  
 I will survive (hey hey)  
 (2X)

## I Want it that Way

Yeah-eh-heah  
You are, my fire,  
The one, desire,  
Believe, when I say  
I want it that way

But we, are two worlds apart,  
Can't reach to your heart,  
When you say, that I want it that way

Tell me why,  
Ain't nothin' but a heartache,  
Tell me why,  
Ain't nothin' but a mistake,  
Tell me why,  
I never want to hear you say,  
I want it that way

Am I, your fire?  
Your one, desire,  
Yes I know, it's too late,  
But I want it that way

Tell me why,  
Ain't nothin' but a heartache,  
Tell me why,  
Ain't nothin' but a mistake,  
Tell me why,  
I never want to hear you say,  
I want it that way

Now I can see that we've fallen apart,  
From the way that it used to be, Yeah,  
No matter the distance,  
I want you to know,  
That deep down inside of me

You are, my fire,  
The one, desire,  
You are (You are, you are, you are)

Don't want to hear you say,  
Ain't nothin' but a heartache,  
Ain't nothin' but a mistake,  
(Don't want to hear you say),  
I never want to hear you say,  
I want it that way

Tell me why,  
Ain't nothin' but a heartache,  
Tell me why,  
Ain't nothin' but a mistake,  
Tell me why,  
I never want to hear you say,  
I want it that way

Cause I want it that way

## Sweater Song

I'm me, me be,  
God damn, I am,  
I can sing and, hear me,  
Know me...  
If you want to destroy my sweater, pull  
this thread as I walk away.

Oh no, it go,  
It gone, bye-bye [bye],  
Do I, I think,  
I sink, and I DIE!

If you want to destroy my sweater. Woah  
woah a woah.  
Pull this thread as I walk away. As I walk  
away! Watch me unravel, I'll soon be na-  
ked. Lying on the floor, lying on the floor!  
I've come undone.

If you want to destroy my sweater. Woah  
woah a woah.  
Pull this thread as I walk away. As I walk  
away! Watch me unravel, I'll soon be na-  
ked. Lying on the floor, lying on the floor!  
I've come undone.

## Pocketful of Sunshine

I got a pocket, got a pocketful of sun-  
shine.  
I got a love, and I know that it's all mine.  
Oh, oh whoa  
Do what you want, but you're never gon-  
na break me.  
Sticks and stones are never gonna shake  
me.  
No, oh whoa  
Take me away (take me away)  
A secret place (a secret place)  
A sweet escape (a sweet escape)  
Take me away (take me away)

Take me away (take me away)  
To better days (to better days)  
Take me away (take me away)  
A hiding place (a hiding place)

I got a pocket, got a pocketful of sun-  
shine.  
I got a love, and I know that it's all mine.  
Oh, oh whoa  
Do what you want, but you're never gon-  
na break me.  
Sticks and stones are never gonna shake  
me.  
No, oh whoa  
I got a pocket, got a pocketful of sun-  
shine.  
I got a love, and I know that it's all mine.  
Oh, oh whoa

Wish that you could, but you ain't gonna  
own me.  
Do anything you can to control me.  
Oh, oh no

Take me away (take me away)  
A secret place (a secret place)  
A sweet escape (a sweet escape)  
Take me away (take me away)

Take me away (take me away)  
To better days (to better days)  
Take me away (take me away)  
A hiding place (a hiding place)

There's a place that I go,  
That nobody knows.  
Where the rivers flow,  
And I call it home.  
And there's no more lies.  
In the darkness, there's light.  
And nobody cries.  
There's only butterflies.

Take me away (take me away)  
A secret place (a secret place)  
A sweet escape (a sweet escape)  
Take me away (take me away)

## Its Time

So this is what you meant  
 When you said that you were spent?  
 And now it's time to build from the bot-  
 tom of the pit right to the top  
 Don't hold back  
 Packing my bags and giving the Academy  
 a rain check

I don't ever wanna let you down  
 I don't ever wanna leave this town  
 'Cause after all this city never sleeps at  
 night

It's time to begin, isn't it?  
 I get a little bit bigger but then I'll admit  
 I'm just the same as I was  
 Now don't you understand?  
 I'm never changing who I am

So this is where you fell  
 And I am left to sell  
 The path to Heaven runs through miles of  
 clouded Hell right to the top  
 Don't look back  
 Turning to rags and giving the commodi-  
 ties a rain check

I don't ever wanna let you down  
 I don't ever wanna leave this town  
 'Cause after all this city never sleeps at  
 night

It's time to begin, isn't it?  
 I get a little bit bigger but then I'll admit  
 I'm just the same as I was  
 Now don't you understand?  
 I'm never changing who I am  
 (x2)

This road never looked so lonely  
 This house doesn't burn down slowly  
 To ashes! To ashes!

It's time to begin, isn't it?  
 I get a little bit bigger but then I'll admit  
 I'm just the same as I was  
 Now don't you understand?  
 I'm never changing who I am

It's time to begin, isn't it?  
 I get a little bit bigger but then I'll admit  
 I'm just the same as I was  
 Now don't you understand?  
 I'm never changing who I am

## Ho Hey

(Ho!) (Hey!) (Ho!) (Hey!)

(Ho!) I've been trying to do it right

(Hey!) I've been living a lonely life

(Ho!) I've been sleeping here instead

(Hey!) I've been sleeping in my bed,

(Ho!) I've been sleeping in my bed

(Hey!) (Ho!)

1, 2, 3

I belong with you, you belong with me,  
you're my sweetheart (x2)

Love – we need it now

Let's hope for some

So, we're bleeding out

(Ho!) So show me family

(Hey!) All the blood that I would bleed

(Ho!) I don't know where I belong

(Hey!) I don't know where I went wrong

(Ho!) But I can write a song

(Hey!)

1, 2, 3

I belong with you, you belong with me,  
you're my sweetheart (x2)

(Ho!) (Hey!) (Ho!) (The last one) (Hey!)

1, 2, 3

I belong with you, you belong with me,  
you're my sweetheart (x2)

(Ho!) (Hey!) (Ho!) (Hey!)

(Ho!) I don't think you're right for him

(Hey!) Look at what it might have been if  
you

(Ho!) Took a bus to China Town

(Hey!) I'd be standing on Canal

(Ho!) And Bowery

(Hey!)

(Ho!) And she'd be standing next to me

(Hey!)

## Livin' on a Prayer

Tommy used to work on the docks,  
 union's been on strike  
 He's down on his luck, it's tough, so  
 tough  
 Gina works the diner all day working for  
 her man  
 She brings home her pay, for love, for  
 love

She says, we've got to hold on to what  
 we've got  
 It doesn't make a difference if we make it  
 or not  
 We've got each other and that's a lot for  
 love  
 We'll give it a shot

Woah, we're half way there  
 Woah, livin' on a prayer  
 Take my hand, we'll make it I swear  
 Woah, livin' on a prayer

Tommy's got his six-string in hock  
 Now he's holding in what he used to  
 make it talk  
 So tough, it's tough  
 Gina dreams of running away  
 When she cries in the night, Tommy  
 whispers  
 Baby, it's okay, someday

We've got to hold on to what we've got  
 It doesn't make a difference if we make it  
 or not  
 We've got each other and that's a lot for  
 love  
 We'll give it a shot

Woah, we're half way there  
 Woah, livin' on a prayer  
 Take my hand, we'll make it I swear  
 Woah, livin' on a prayer  
 Livin' on a prayer

Oh, we've got to hold on, ready or not  
 You live for the fight when it's all that  
 you've got  
 Woah, we're half way there  
 Woah, livin' on a prayer  
 Take my hand, we'll make it I swear  
 Woah, livin' on a prayer

Woah, we're half way there  
 Woah, livin' on a prayer  
 Take my hand, we'll make it I swear  
 Woah, livin' on a prayer

Woah, we're half way there  
 Woah, livin' on a prayer  
 Take my hand, we'll make it I swear  
 Woah, livin' on a prayer

## Chicken Fried

You know I like my chicken fried  
Cold beer on a Friday night  
A pair of jeans that fit just right  
And the radio on

Well I was raised underneath the shade of a  
Georgia pine  
And that's home you know  
Sweet tea pecan pie and homemade wine  
Where the peaches grow  
And my house it's not much to talk about  
But it's filled with love that's grown in south-  
ern ground  
And a little bit of chicken fried

Cold beer on a Friday night  
A pair of jeans that fit just right  
And the radio up  
I like to see the sunrise  
See the love in my woman's eyes  
Feel the touch of a precious child  
And know a mother's love

It's funny how it's the little things in life  
that mean the most  
Not where you live, what you drive or the  
price tag on your clothes  
There's no dollar sign on a piece of mind  
this I've come to know  
So if you agree have a drink with me  
Raise you glasses for a toast  
To a little bit of chicken fried

And cold beer on a Friday night  
A pair of jeans that fit just right  
And the radio up  
I like to see the sunrise  
See the love in my woman's eyes  
Feel the touch of a precious child  
And know a mother's love

I thank god for my life  
And for the stars and stripes  
May freedom forever fly, let it ring.  
Salute the ones who died  
The ones that give their lives so we don't  
have to sacrifice  
All the things we love  
Like our chicken fried

And cold beer on a Friday night  
A pair of jeans that fit just right  
And the radio up  
I like to see the sunrise  
See the love in my woman's eyes  
Feel the touch of a precious child  
And know a mother's love  
Getcha a little chicken fried  
And cold beer on a Friday night  
A pair of jeans that fit just right  
And the radio up  
I like to see the sunrise  
See the love in my woman's eyes  
Feel the touch of my precious child  
And know a mother's love

## The Kee Tov Song

Baruch atah adonoi for making the world  
And the trees and the flowers.  
Blessed art thou o lord,  
For making me.

KEE is the word,  
that opens all of the doors,  
And TOV is the word,  
that means it's good and I want more,  
More fun,  
We'll laugh and play till the day is done,  
KEE TOV,  
That means that it was good!

Caaaaamp Keeee Tooov.
